

Dear Jerry
 just a p.c. to
 you hoping you are
 getting better. I think best
 you have got about the best
 peace (head) for we are having what
 some lovely weather. I don't what
 it will end with. We landed home
 last Sunday about 8:0'clock. We did
 not get ever so wet. I expect you
 will be pleased when you can
 get about again. I think
 this is all from your friend.
